Call or email office (office@stlukesforesthills.org) for envelopes. Pledge cards are located in the Narthex and can be returned in the collection plate or by mail.

Ministry Fairs

Saint Luke's will offer Ministry Fairs to introduce new members and reacquaint longtime members with options for "loving and serving the Lord." If you facilitate an existing program or want to start a ministry that God is calling you to perform, contact the church office. The projected Ministry Fair schedule is today & March 5 after the 8am and 11am services.

FOREST HILLS INTERFAITH LEADERS' JOINT STATEMENT FOLLOWING THE KILLING OF TYRE NICHOLS

February 2, 2023

We hear it in the human voice asking God:

"How long, O Lord?: (Psalm 13)."

We hear it in the voice of God's spokesperson speaking to others:

"How long, you people, ...will you love vain words and seek after lies? (Psalm 4)."

We hear it directly in the voice of the Holy One speaking to us:

"How long will you judge unjustly and show partiality.... Give justice (Psalm 82)."

We hear often about "American exceptionalism." Dare we recognize how exceptional the United States is when it comes to violence, hate crimes, and mass shootings? How long? Dare we recognize how the culture of racism, hate and violence drives so much social, political, and even religious discourse in our nation? We must recognize that the legacy of racism and lack of adequate training remains embedded nationwide in our systems.

The communities we serve are reflective of the vast tapestry of America and of the world. Our communities are reflective of the whole human race created in the image of God.

We religious leaders of Forest Hills are saddened by the beating and killing of Tyre Nichols. We cannot stand idly by the blood of our neighbor. We condemn in no uncertain terms the hatred and violence reflected in the words and actions of so many individuals and institutions that should exist to strengthen—not erode—the civic and social fabric of our nation. We condemn in no uncertain terms any and all who abuse their status as governmental, civic, or religious servants to direct violence and hatred towards others.

We call on all government and civic leaders, advisors, and workers, and all religious leaders and communities to remember that we are created equally in God's image and to act justly and mercifully with and for everybody in the land.

Blessings,
